Your Guide to Lower Tuition Rates.

Dear St. Francis Xavier School Parent(s),

Families should consider choosing **ATP** to save a substantial amount on their child's tuition. ATP - Active Tuition Plan - is a simple way to save hundreds of dollars. In order to qualify, families must agree to fulfill three (3) "units" from the choices explained below. Please consider them carefully. Remember, by agreeing to participate in ATP, you must fulfill a total of **3 units** chosen from those listed on this page.

Let's make it a great school year.

Sincerely,

Principal
